VOL. VIII NO. 6
JULY/AUGUST 1995

NEW BEGINNINGS

On August 1 my ministry with and for you as Bishop for the interim period comes to an end. With an enthusiastic embrace we now welcome Donald Maier as our new Bishop and entrust to him the pastoral care of our synod.

As this critical transition takes place, a Hebrew greeting comes to mind: "The Lord will keep your going out and your coming in from this time forth and forevermore" (Psalm 121:8).

In our "goings and comings", I bid farewell to the past months with deep feelings of gratitude to you for your respectful acceptance of me and for your collegial and prayer-filled support of the Office of the Bishop. With great joy and anticipation I now welcome the coming-in of Bishop Maier. I ask you to join me as we commend Bishop Maier and his care for us into the hands of our gracious God who promises to accompany us into our future with divine blessing.

This past week, Donene Blair, our Executive Assistant and a faithful United Methodist, attended the biennial convention of The Fellowship of United Methodists in Music & Worship Arts. She shared with me a beautiful hymn entitled, *This is the Day of New Beginnings*, written by the noted English hymn writer, Brian Wren. This text spoke movingly to me as we take the hand of our God and walk together into the future.

This is a day of new beginnings,
Time to remember, and move on,
Time to believe what love is bringing,
Laying to rest the pain that's gone.

Then let us, with the Spirit's daring,
Step from the past, and leave behind
Our disappointment, guilt, and grieving,
Seeking new paths, and sure to find.

For by the life and death of Jesus,
Love's mighty Spirit, now as then,
Can make for us a world of difference
As faith and hope are born again.

Christ is alive, and goes before us
To show and share what love can do.
This is a day of new beginnings;
Our God is making all things new.

Vision for Future

The Convocation will begin at 9 a.m. with informal worship led by Bishop Maier, followed by an opportunity to hear some of his ideas and vision for the future. This will be followed by informal dialogue with Pastor Maier.

Remember, the attendance of all clergy and A.I.M.s is expected.

Gifts for African Congregation

From Tent to Church, *WOLDIA*

by G. Lee Kluth

I heard about the church in *WOLDIA* almost six months ago. Lynda Tidemann, the ELCA Program Director for East Africa told me about the *WOLDIA* congregation as a project that our synod could support. Twice the people have lost their building because of their neighbor's hostility. The government has provided land on which to build, but will reclaim it if they don't start construction soon!

WOLDIA'S new building will cost $40,000! The Division for Global Mission of the ELCA has pledged $17,000. Bishop Paul Bartling and our Global Mission Committee have set our sights on a goal for the Northwest Washington Synod of $23,000! As of June 27th we have received $20,106.68 from the people of this synod. Thank you for your gifts!

We are so close to our goal for 1995! I challenge each of you to respond to help us reach our synod's goal. It would be a real blessing to reach our goal by the end of July when Bishop Paul Bartling will conclude his time as our bishop. Then we can plan a joyful celebration of our continued sharing with our sisters and brothers in *WOLDIA*!

Please continue to send your offerings for WOLDIA to the Synod Office. Thank you for your generous support for the *WOLDIA* congregation!

Resources

Helps for Evangelism

How's Your Discipleship?

Evangelism and Discipleship are brought into focus in the 1995 Evangelism Packet mailed to each congregation recently. If you receive new members, only to see them go out the back door and never be seen again, you need to look at this packet. If visitors come to your Sunday services and don't return, you need to look at this packet.

There is a strong focus on what it means to mature in the faith and be disciples for Christ. There is a strong emphasis on incorporation of new members into the community of disciples.

The materials in this packet provide a look at the spiritual and Biblical backgrounds for carrying out our mission "to make disciples." It provides a number of ways and suggestions of doing it, and offers many resources to the congregation which seeks to evangelize and make disciples.
